MEMORANDUM TO: Assistant Director
Office of Operations

FROM: Assistant Director
Office of Reports and Estimates

SUBJECT: CIG Intelligence Report [redacted] 25X1A2g No. [redacted]
"Propaganda of Anti-American Tendencies"

There is forwarded herewith for your consideration the detailed memorandum regarding subject report, prepared by the Latin American Branch of the Office of Reports and Estimates.

The Assistant Director, Office of Reports and Estimates, appreciates the initiative that led to the preparation of the subject report by the Office of Operations. However, certain of the implications contained in this report are so widely at variance with the position taken by ORE that it is suggested that it was of doubtful value to circulate such a report to the various agencies of government without the benefit of a more considered view of the problem as a whole.

It is the hope of ORE that conflicting reports purporting to be factual analyses of situations would not be issued by separate offices of CIG.
